Welcome

We purchase all goods and services to support academic and research programs, as well as construction and renovation projects on main campus and at our extension sites. Our purchases total approximately \$120 million per year and include scientific equipment, chemicals, furnishings, computer equipment and supplies, and a multitude of maintenance, operating, and repair items. In addition, we are responsible for the purchase of a wide range of contracted services from individuals and corporations.

Buyers by Commodity

Procurement & Strategic Sourcing

Advertised Bids

As a Public Institution, Procurement & Strategic Sourcing at Wayne State University is committed to the competitive market and to providing fair and equal opportunity to all Vendors. This page will serve to advertise many of our current Requests for Quotation (RFQs) and Requests for Proposals (RFPs). Each RFP or RFQ will list the name of the University Contact. A complete list of names and telephone numbers appears at the bottom of the page.

To utilize this page, click on the appropriate Category, then the RFP or RFQ you wish to see. The file should open your Microsoft Word or Adobe software and download the appropriate document. If you are having trouble opening the file, call the corresponding University contact to make arrangements to obtain a copy.

Upcoming RFPs

Bid Opportunity Listserve

The following is a list of Categories in which LISTSERV lists have been established for the purpose of notifying Vendors of Bid Opportunities via e-mail.

To join the LISTSERVE list for any of the categories listed below, click on the link and select "Join or Leave". You will be asked for your name and e-mail address. Click "Join Bids" button at the bottom when you are done. Upon submission, you will receive a separate confirmation e-mail. You must click the "confirmation" link in this e-mail to activate your subscription. This is a self service list, and you will be responsible for the accuracy of your e-mail address. You would also visit the LISTSERVE to remove yourself and/or to modify your name or e-mail. Subsequently, all bid notices in the category selected will be sent to you, including any correspondence such as Prebid Meeting Minutes, Clarifications, and Addenda. If a prebid meeting was Mandatory, you are not eligible to bid unless you attended, regardless of whether you are registered for the list notices and received the subsequent correspondence related to the bid.

Please note, for those categories identified, the list serve will be the primary method of notifying Vendors, and no fax or mail notifications will be released.

New Supplier / Vendor Request

BELOW IS INFORMATION ON HOW TO BECOME REGISTERED AS A VENDOR.

Thank you for your interest in doing business with the Wayne State. The first step will be for you as an outside company is to register on the Wayne State University Supplier/Vendor Registration portal for Businesses and Non-Employee Individual Payees.

The supplier database is used for all external payments and to qualify potential U.S. Based suppliers, so these suppliers may be invited to participate in Wayne State University future sourcing/bid selection processes for various products and services. The process should take 15 minutes or less to complete. Before beginning, please have handy a PDF copy of your current [IRS W9](#), insurance certificate (if applicable), and any certifications, such as supplier diversity certifications.

The process is a two-step process. At step one, you'll be asked for your name, company name, and email address. Our system will validate the email domain, and upon validation, will return an email with a separate link to complete the process. You'll navigate through 9 separate screens,

1. Welcome
2. Company or Individual Overview
3. Addresses
4. Contacts
5. Insurance (if applicable)
6. Payment Information
7. Tax Information (2 pages)
8. Conflict of Interest information
9. Certify & Submit

The link for **Domestic (U.S. Based) vendors** to self-register via our new supplier portal found at <https://solutions.sciquest.com/apps/Router/SupplierLogin?CustOrg=WayneState>

APEX Accelerator

The U.S. government spends billions of dollars annually, making it the world's largest purchaser of goods and services. At the Wayne State University APEX Accelerator, our professional and no-cost consulting services can help your company identify the government market that best fits your organization. Our knowledgeable team can help you locate bidding opportunities for your company and explore what it takes to sell your products and services to the government.

APEX Accelerator provides free government contracting assistance to business firms in marketing products and services to the federal, state, and local governments. The Wayne State APEX Accelerator services companies that are located in Detroit only. If you are interested in government contracting assistance but are not located in our service area, visit www.ptacsofmichigan.org to locate the APEX Accelerator in your area. Companies located outside of Michigan may find their local APEX Accelerator at www.aptac-us.org

APEX Accelerator services

- Training seminars
- Individualized procurement counseling
- Research and support
- Procurement histories
- Specifications, standards, and drawings
- Federal publications
- General Services Administration (GSA) assistance
- Electronic bid match delivery
- Guidance on application and certification processes for small business programs
