

# SEVEN

## REASONS to Use E&I's SU Group Contract

01

Guaranteed 17% to 35% reduction on maintenance and service agreements

Greater administrative and operational efficiencies

02

03

Single point of contact for all equipment service issues

The ability to use any service vendor of choice

04

05

Consolidation of service contracts and vendor relationships

Flexibility to add or remove equipment at any time

06

07

Overall reduction in purchase orders and paperwork related to equipment maintenance on campus

SU Group provides customized programs that effectively manage, reduce and control equipment maintenance costs on campus. For more information on this competitively awarded contract, please contact your Member Relations Executive, or Robert Cutler, *Portfolio Support Executive - Diversified Products & Services*, at [rcutler@eandi.org](mailto:rcutler@eandi.org).
